# ASHDOWN PARK HOTEL & COUNTRY CLUB

Imagine a country house hotel in a storybook forest, home to Winnie the Pooh. It is all part of the fascinating history of the 19th century neo-gothic mansion of Ashdown Park within its own enchanting private pocket of 186 acres of the Ashdown Forest. Boasting 106 bedrooms and suites, a fine dining restaurant, a brasserie, al fresco dining, and elegant lounges, it is the perfect place to relax and unwind.

The extensive leisure facilities include pool, gymnasium, outdoor tennis courts, spa treatment rooms and 18-hole par 3 golf course. There is also a stunning converted chapel and an extensive selection of rooms for any gatherings or events.

Wych Cross, Nr. Forest Row, East Sussex RH18 5JR

## THE GRAND HOTEL

Visit the only five star seaside resort hotel in England. Affectionately known as The White Palace, the Grand Hotel Eastbourne commands breathtaking views of the sea and the dramatic cliffs at Beachy Head.

Grand by name but not by nature, we're also one of the friendliest with two of the finest restaurants in Eastbourne, and the most famous hotel lounges. All, including the rooms and suites, recall the days when hotels in East Sussex were the seaside playground of the Victorian rich and famous, and when the wealthy would descend on The Grand with entire entourages.

# TYLNEY HALL HOTEL & GARDENS

Back to an age of elegance and gracious living, Tylney Hall is a Grade II listed building and remains an outstanding example of a luxury country house hotel that has never lost its old world sense of charm.

Beyond its splendour and warmth of a bygone era are all the facilities you expect of today, with luxuriously appointed rooms and suites; gourmet dining and al fresco dining; a beautifully appointed Health Suite with Spa treatment rooms and leisure facilities; including both an indoor and an outdoor pool; and business; conference centre and banqueting facilities that are second to none. Furthermore, the 66 acres of parklands and gardens are famous in their own right, attracting hordes of visitors, and has been a RHS Partner Garden since 2016.
